

2010 Incoming 9th Grade Girls' Basketball Summer League

Dasher Basketball, Inc. (DBI) is a non-profit organization dedicated to promoting life skills through the game of basketball for grade school and high school girls that have a desire to **ultimately play basketball at the high school level.**

DBI will run a summer league for girls that will be incoming freshmen in Fall 2010. (Incoming 8th graders **may** be allowed to play up.)

The league will consist of 6 teams—3 DBI teams and 3 non-DBI teams. DBI teams are formed from players that sign up individually with DBI, whereas non-DBI teams are outside entities that sign up together as a team.

Games will be played on Wednesdays at DSHA, from June 23 through July 28. Each team will play a total of 10 games, playing each of the other teams twice over the course of the season. All games start at 5:20, 6:10, 7:00, 7:50, or 8:20. Over the course of the 6-week season, each team will have 2 weeks with single games and 4 weeks with back-to-back doubleheaders.

All games will have two officials, and **no admission fees** will be charged at any games. A website will be maintained that shows current standings and the results from each game. (Individual scoring is only tracked for DBI teams.)

For non-DBI teams, the cost of the league is **\$500** per team. Forfeits are simply unacceptable. If you know that you cannot field a team each week in the league, then please do not enter a team.

DBI teams will be playing primarily man-to-man defense. While non-DBI teams are permitted to play any type of defense they would like, we would strongly encourage teams to play man-to-man defense as we feel this promotes better development.

Thank you for your interest in the DBI league. Please return the accompanying application form as soon as possible to apply for a spot in the league. Once your application is accepted, you will be required to mail a check for \$500 within 10 days in order to secure your spot. The league will not necessarily be filled on a first-come first-serve basis – we are looking for teams/coaches that will be an appropriate fit for the level of competition and the emphasis of the league.
